

TALL SHIP ATLANTIS (Tuscany, Italy)

At 57 x 7.5 m, 14 sails and over 750 sqm sail surface the Atlantis is a guaranteed eye catcher in every harbour.

Built in 1905 and christened Elbe 2, the Atlantis served faithfully as a light vessel in the North Sea, Germany. In 2005 she was elaborately restored as a tall ship for passenger cruises.

The renovation featured a classy salon, a spacious upper deck including seats and a cocktail bar as well as 16 comfortable air conditioned guest cabins including a shower and WC.

The unique charm of the Atlantis is due to the loving care of the inventory and to a helpful and greatly experienced crew.
