Family Escapes: Bike, Sail and Explore in Dalmatia

This Multi-Adventure Cruise in South Dalmatia is particularly well-suited for families. It combines the popular bathing cruise concept with a variety of activities. Spend a week on a charming motor vessel that takes you from island to island, sparing you the hassle of packing suitcases and searching for accommodations. Along with nights spent in port, we also spend some nights in quiet bays. Decide each day anew whether you would like to go for a bike or a hike, go rafting or rather stroll leisurely through the unique small harbour towns of the Adriatic - or simply spend the day relaxing on board. This is indeed a pleasant way of exploring Southern Dalmatia, possibly Croatia's most attractive coastal region. A well-informed tour guide who can always point out various possibilities of creating an active or a relaxed holiday accompanies you. Local stories and legends and the country's cultural treasures - most of which are protected by UNESCO's World Heritage program - bring Croatia's eventful history to life. The highlight of our Multi-Adventure Cruises is the opportunity to jump directly off the ship into the sea for a swim. Depending on wind and weather we reserve the right to run this tour in reverse.

Itinerary

1st Day Trogir (Embarkation) – Island of Vis

Individual arrival by car to Trogir or by plane to Split airport, which is about 6 km/4 mi. away from the harbour of Trogir. After check in on the motor yacht (at around 2:30 pm) the first cruise starts around 3 pm from Trogir to the Island of Vis. On the way we have the opportunity to take a refreshing swim from the boat. The first night is spent on the Island of Vis.

2nd Day Islands of Vis (aprx. 6 mi./10 km by bike)

In the morning we can take part on an adventurous bike tour which takes us past the old military tunnels that crisscross the island, on our way to the fortress of St. George which played a significant role in the seafaring history of the island. Once back at the boat we cruise towards the island of Hvar and find a beautiful bay to anchor in for a long swimming break and for a peaceful night under the stars.

3rd Day Island Hvar

We start with a morning cruise to the capital city of Hvar on Hvar Island. After arrival we take a city tour across the large Renaissance Square, surrounded by the cathedral and many late gothic palaces. We are able to hike to the Spanish Fortress that towers above the town. From here we have a fabulous view onto the city and the surrounding islands. With lunch on board, we cast off from Hvar and anchor in the Pakleni Islands for a lengthy swim stop. In the afternoon we lift the anchor and cruise to the city of Stari Grad also on the island of Hvar, where we will spend the night.

4th Day Island of Hvar and Brač (aprx. 8 mi./13 km or 15 mi./25 km by bike)

In the morning we cruise to the famous 'Golden Horn' Beach in Bol on the island of Brač where the ship lowers its anchor for the morning. Here we can choose between a variety of activities both in the water and on land (not included in the tour price) or just enjoy the summer morning swimming in the sea and chilling on deck. During lunch on board, we cruise to the town of Jelsa on the island of Hvar where we can enjoy a bike tour along the beautiful seafront promenade through Vrboska, past the UNESCO Stari Grad Plains. Decide for yourself if you wish to do a longer or shorter version of the cycle tour. Enjoy the evening on board with a captains dinner and celebrate a successful day!

5th Day Island of Brač (aprx. 1.5 h on foot)

The morning is spent on board enjoying a longer cruise to Lovrečina Bay on the island of Brač. Once we have arrived, big and small islandhoppers are invited to a game of Beach Olympics on the beach. In the afternoon a 1.5 hour hike along the coast brings us to Postira. Here the sunset can be enjoyed from one of the many cafes or bars.

6th Day Split - Cetina Canyon

During breakfast the boat brings us to the city of Split, where we have the choice to either to take a bus transfer to go rafting through the Cetina Canyon (not included in the tour price) or to explore the wonderful Marjan forrest Park in Split on foot along with an extended visit to the beach for a swim and games at the beach. In the afternoon we can explore the bustling city of Split. We enjoy an exciting tour through the UNESCO World Heritage old town, built adjoining the walls of the Diocletian Palace. The night is spent in Split.

7th Day Island of Šolta – Trogir (aprx. 5 mi./8 km by bike)

In the first half of the day we can cycle on the island of Šolta to Goran, a local beekeeper to participate in an interactive workshop on bees, their purpose, products and the life of a beekeeper. Goran is an expert in capturing the fascination of young and old with the enthusiasm he has for the bees which he keeps. We return to Rogač where the boat awaits. Lunch will be enjoyed on board during the last crossing by boat for the week as the captain charts his course back to Trogir. Along the way the anchor is dropped for an enjoyable dip in the Adriatic directly from the boat. In the afternoon we enjoy Trogir by taking a walk through the UNESCO protected old town. Traditionally the last evening before disembarkation is spent cheerfully with guests, crew and guides.

8th Day Trogir (Disembarkation)

After breakfast disembarkation takes place until 9 am followed by an individual trip home or extended stay in Croatia.
