Where the Adriatic Sea kisses the Mountains

Guarded by the towering Velebit Mountain Range in the east and hugged by the Istrian Peninsula in the northwest lie the Kvarner Bay Islands. Quiet coves of crystal clear water surround the dramatic landscapes of the Kvarner Bay Islands; green hills and rocky moon landscapes give way to small harbour towns rich in history and culture. Discover the charm of the Adriatic Sea for yourself by bike and boat on board one of our romantic motor yachts.

Be it the medieval city of Rab, the car-free panorama road on Dugi Otok or the contemplative life of the dwellers on the flower island of Molat, each day brings with it new discoveries. Evenings are mostly spent in picturesque harbour towns with winding alleyways where a great range of bars and cafes stand host for a relaxing evening.

Itinerary

1st Day Omišalj (Embarkation) – Cres

Individual arrival in Omišalj, a nice little harbor village on the island of Krk. If you're planning to arrive by car, we will organize a safe parking space for you. Check-in on the motor yacht between 2 and 2:30 pm. At approx. 3 pm the ship takes us to the island of Cres in about four hours. On Cres we take a walk through the Venetian old town in the evening.

2nd Day Islands of Cres and Lošinj (aprx. 18 mi./29 km)

After breakfast we start our tour from the city of Cres to Martinšćica. The boat awaits our arrival and lunch is served during the cruise to the island of Lošinj. If the weather is good, the captain will arrange a swim stop along the way before tying off in the wellness harbor town of Mali Lošinj. The port with its colourful facades and numerous cafes offers its visitors a welcoming atmosphere for a relaxed evening.

3rd Day Islands of Lošinj and Molat (aprx. 25 + 6 mi./41 + 10 km)

We cycle along the seaside promenade to the south of Lošinj and visit the picturesque small harbour town of Veli Lošinj before we meet the ship for lunch. In the afternoon we cross over to the island of Molat where we can take part in another short cycling tour. The night is spent in a quiet harbor on the Island.

4th Day Island of Dugi Otok - Zadar (aprx. 20 mi./ 32 km)

During breakfast the ship leaves Molat and takes us past many small islands to the "spice island" of Dugi Otok. Our bike tour starts in the bay of Božava which is surrounded by pine woods, agaves and tamarisk trees. We ride on an almost traffic free road. Our ride takes us first to a beautiful viewpoint at the northernmost point of the Island where the old Austrian lighthouse of Veli Rat resides. From here we continue by bike along the island ridge with beautiful panoramic views of the surrounding island landscapes all the way to the bay of Savar where the boat awaits us for a cruise to Zadar. Zadar has been the political, cultural and spiritual centre of Dalmatia for centuries. 3000 years of history have left their imprint on the character of this town and there are many things to be admired: the mighty fortified walls with their bastions, the loggia and the early Romanesque St. Donatus Basilica. In the evening our tour guide takes us on an extensive walk through the lively city centre.

5th Day Island of Pag - Rab (aprx. 12 mi./20 km)

After a long crossing by boat in the morning we reach the island of Pag. In the harsh but delightful landscape of the island we come across many fig and olive trees. Over the centuries the inhabitants built numerous stone walls for protection against the wind. Starting from Novalja we cycle on the narrow peninsula until we reach the sea from where the ship takes us to Rab. The island of Rab is one of the sunniest places in Europe. The town of Rab, the fortified capital of the island, was built in the Middle Ages on a wedge shaped headland and marks one of the highlights of the trip. The four famous bell towers are a symbol of the adorned beauty of the town. After dinner we can explore the narrow alleys with numerous cosy cafés.

6th Day Island of Rab (aprx. 14 mi./22 km)

Today we get to know the charming island of Rab on a lovely ride around the island. At lunchtime the ship awaits us in the harbour directly in front of the old town of Rab. We cruise towards the island of Krk and anchor along the way for a

refreshing swim stop from the boat. In the late afternoon we reach the island of Krk where we spend the evening in the historical town of Krk.

7th Day Island of Krk (aprx. 30 mi./47 km)

We cycle over the ridge of the island which is covered by fragrant macchia to a valley of vineyards and then onwards to the small museum town of Vrbnik in the northeast. The town, built on a 50-meter-high cliff and surrounded by vineyards, is the home of the famous Zlahtina white wine. Another peculiarity that Vrbnik has to offer is the second most narrow alley in the world. Our tour leads us across the island through old villages and rich vegetation to Omišalj. On our way we have a chance to swim in the bay of Soline. A cheerful evening meal on board the boat gives you time to celebrate the success of the week with our fellow travellers and tour guides.

8th Day Omišalj (Disembarkation)

After breakfast disembarkation until 9 am and individual trip home or extended stay in Croatia.
